Join our East Mississauga Community Health Centre Community Advisory Team

The East Mississauga Community Health Centre is a unique organization working to improve the health, strength, and overall quality of life for the people in our neighbourhood.

From the young to seniors, new Canadians, the LGBTQ community, and everybody else....all are welcome at the East Mississauga Community Health Centre. The staff and volunteers work to continuously address the emotional, social, and economic well-being of our community in tandem with other local agencies, community groups and residents to address everyone's wide range of needs.

These include :

- **Health care promotion and services**
- **Community programs and outreach, and**
- **Advocacy**

If you live in or work in the region and community service is for you, come on down to discuss joining.

Volunteers Build Strong Communities Strong Communities Build a Better World

Let's put our fundraising, public relations, volunteer management, strategic planning and other skills to work supporting our neighbours and families.
